## LAZO DE AMOR

[Add+](#)[Information](#)[Attendance](#)[Diseases](#)[Suppliers](#)

**Water:** Frecuencia Moderada

**Soil:** Mezcla de fibra de coco, turba y vermiculita con muy buen drenaje

**Compost:** Humus de lombriz cada 15 días en meses cálidos

**Moisture:** Ni mucha, ni poca. Es buena reteniendo la humedad

**Temperature:** 7° C - 27° C

**Lightning:** Moderado

**Comment:** Su capacidad de purificar el aire, unida a lo poco exigentes que son sus cuidados, la hacen una planta muy popular para la decoración de interiores, ayudando a mejorar el ambiente y embellecer una estancia a cambio de muy poco.
